

BEFORE THE
GOVERNING BOARD OF THE
LODI UNIFIED SCHOOL DISTRICT
STATE OF CALIFORNIA

In the Matter of the Reduction in Force of:

CERTAIN CERTIFICATED PERSONNEL
EMPLOYED BY THE LODI UNIFIED
SCHOOL DISTRICT,

OAH No. 2010011151

Respondents.

PROPOSED DECISION

This matter was heard before Karen J. Brandt, Administrative Law Judge, Office of Administrative Hearings, State of California, in Lodi, California, on April 29 and 30, 2010.

Paul R. Gant and Justin J. Simpson, Attorneys at Law, represented the Lodi Unified School District (District).

Thomas J. Driscoll, Attorney at Law, represented the respondents who are identified as being represented on Attachment B to Attachment 1 hereto (represented respondents).

Respondents Deborah L. Miller, Laura Estes, Washawn Bobrow, Donna Aarons, Linda Mowery, Mary Pat Armknecht, Mary Ann Jacobson, Donald "Matt" Simpson, and David Wax appeared on their own behalf.

On April 30, 2010, the District reached a stipulated settlement with the represented respondents, as set forth in the proposed decision below.

FACTUAL FINDINGS

Represented Respondents

1. The District and the represented respondents agreed to the Stipulated Facts, which are attached hereto as Attachment 1, and are incorporated herein by reference.

Unrepresented Respondents

2. Nine respondents who were not represented by Mr. Driscoll appeared at the hearing: Deborah L. Miller, Laura Estes, Washawn Bobrow, Donna Aarons, Linda Mowery, Mary Pat Armknecht, Mary Ann Jacobson, Donald "Matt" Simpson, and David Wax.

3. The remaining unrepresented respondents did not appear at the hearing. These remaining unrepresented respondents are the certificated employees listed on Attachment B to Attachment 1, who do not have an "X" in the column under the heading "Rep. By Driscoll." The District properly and timely served these unrepresented respondents with all notices required under Education Code sections 44949 and 44955.¹ In addition, the District served upon these unrepresented respondents an Order Re: Hearing, issued on April 15, 2010, which notified them that the hearing would begin at 3:30 p.m. on Thursday, April 29, 2010, and that their failure to attend the hearing at that time may constitute a waiver of their right to contest their layoff, and result in a default under Government Code section 11520. Because these unrepresented respondents did not appear at the hearing on April 29, 2010, this matter proceeded as a default against them under Government Code section 11520.

4. At the hearing, respondents Deborah L. Miller, Washawn Bobrow, Donna Aarons, and Mary Pat Armknecht withdrew their requests for a hearing, and acknowledged that the District may, therefore, issue final layoff notices to them.

5. The District and respondent Linda Mowery agreed that Ms. Mowery's seniority date shall be corrected from July 29, 2005, to July 18, 2005. Upon the correction of her seniority date, Ms. Mowery withdrew her request for a hearing, and acknowledged that she was not contesting her layoff.

6. The District and respondent Donald "Matt" Simpson, agreed that Mr. Simpson's seniority date shall be corrected from July 27, 2006, to August 16, 2005, and that Mr. Simpson is a permanent certificated employee of the District. Upon correction of his seniority date and recognition of his permanent status, Mr. Simpson withdrew his request for a hearing, and acknowledged that the District may, therefore, issue a final layoff notice to him.

7. The District served respondent David Wax with a precautionary layoff notice. At the hearing, the District rescinded respondent Wax's precautionary layoff notice.

8. The District served Mary Ann Jacobson with a precautionary layoff notice. The District has agreed to rescind respondent Jacobson's precautionary layoff notice.

9. Respondent Laura Estes is a counselor who has been classified by the District as a "probationary 0" employee. At the hearing, Ms. Estes executed a Stipulation Regarding Jurisdiction and Procedure, pursuant to which she agreed that the Governing Board (Board)

¹ All statutory references are to the Education Code unless otherwise indicated.

of the District adopted Resolution No. 2010-11 (PKS Resolution) on February 16, 2010, which reduced or discontinued particular kinds of services at the end of the 2009-2010 school year, as set forth in Attachment A to Attachment 1. The Stipulation also provided that Ms. Estes was timely served with a preliminary layoff notice, an Accusation, and all other necessary jurisdictional documents. The Stipulation provided further that this layoff proceeding is based solely on the grounds set forth in sections 44949 and 44955, and in no way relates to any certificated employee's ability or performance.

10. Ms. Estes holds a clear Pupil Personnel Services credential. She was hired on July 16, 2007, as a temporary employee for a supplemental counseling program created under AB 1802. This AB 1802 program was a categorically-funded program, as described in section 44909.² Ms. Estes began her employment as a counselor with the District at the Ronald E. McNair High School.

11. Ms. Estes was laid off at the end of the 2007-2008 school year, but she was rehired in July 2009. She was laid off again at the end of the 2008-2009 school year, but she was rehired for the 2009-2010 school year, and was assigned as a counselor in District elementary schools. Ms. Estes's current position is funded through Title I, which makes her position a categorically-funded position under section 44909. According to evidence presented by the District, Ms. Estes's categorically-funded program is being eliminated.

12. Michelle Abinsay was hired as a counselor for the District on July 19, 2007. Like Ms. Estes, Ms. Abinsay was hired into a categorically-funded program and began working for the District at the Ronald E. McNair High School. Ms. Abinsay was also laid off after the 2008-2009 school year, was rehired for the 2009-2010 school year, and was assigned as a counselor in District elementary schools.

13. In or about the 2007-2008 school year, another counselor at the elementary school where Ms. Abinsay was located retired. That counselor's position was designated as a General Fund position. The principal of that elementary school redesignated Ms.

² Section 44909, in relevant part, provides:

The governing board of any school district may employ persons possessing an appropriate credential as certificated employees in programs and projects to perform services conducted under contract with public or private agencies, or categorically funded projects which are not required by federal or state statutes. The terms and conditions under which such persons are employed shall be mutually agreed upon by the employee and the governing board and such agreement shall be reduced to writing. Service pursuant to this section shall not be included in computing the service required as a prerequisite to attainment of, or eligibility to, classification as a permanent employee unless (1) such person has served pursuant to this section for at least 75 percent of the number of days the regular schools of the district by which he is employed are maintained and (2) such person is subsequently employed as a probationary employee in a position requiring certification qualifications. Such persons may be employed for periods which are less than a full school year and may be terminated at the expiration of the contract or specially funded project without regard to other requirements of this code respecting the termination of probationary or permanent employees other than Section 44918.

Abinsay's position as a position funded through the General Fund. As a result of this redesignation of Ms. Abinsay's position, Ms. Abinsay is now classified as a permanent certificated employee, as reflected on the 2009-2010 seniority list. Ms. Abinsay did not receive a preliminary layoff notice.

14. At the hearing, Ms. Estes asserted that the redesignation of Ms. Abinsay's position violated the collective bargaining agreement, which, in relevant part, provides:

I. Process to Fill Site-Based Positions Vacated Mid-Year

1. If a site-based position is vacated or becomes available after the close of the transfer process (hereinafter "position"), the District shall immediately give notice of the availability of the position to unit members by posting a notice on the job-line, sending the notice to the Association president and vice-president, and posting the notice at central bulletin boards or prominent locations reasonably calculated to give notice to unit members at all school sites and the Education Support Center. Unit members shall have at least seven (7) working days from date of job-line posting to notify the Certificated Personnel Department of their interest in the position.

15. Ms. Estes argued that the District violated the procedures set forth in the collective bargaining agreement by redesignating Ms. Abinsay's position as a General Find position without first posting the vacated position as available to other members of the bargaining unit. According to Ms. Estes, due to this alleged violation of the collective bargaining agreement, because she was hired before Ms. Abinsay, she should be classified as a permanent employee and her preliminary layoff notice should be rescinded. The District disputed that it had violated the collective bargaining agreement by not posting the vacated position before redesignating Ms. Abinsay's position.

16. Whether the District's actions in redesignating Ms. Abinsay's position may have violated the collective bargaining agreement is an issue that is outside the jurisdiction of this proceeding. Because Ms. Estes has at all times been employed by the District in a categorically-funded program, she did not establish that she should be reclassified from a "probationary 0" to a permanent employee. She did not show that the Board acted arbitrarily or capriciously, or abused its discretion in reducing counselors or in issuing a preliminary layoff notice to her. Consequently, she did not establish that her preliminary layoff notice should be rescinded or that she should be reclassified as permanent.

17. There was no evidence that the District proposes to eliminate any services that are mandated by state or federal laws or regulations.

18. Any other assertions put forth by any unrepresented respondents at the hearing and not addressed above are found to be without merit and are rejected.

19. There was no evidence that any junior employees are being retained to render services that more senior respondents are certificated and competent to perform.

20. The District's reductions and eliminations of particular kinds of services relate solely to the welfare of the District's schools and pupils.

LEGAL CONCLUSIONS

1. The District complied with all notice and jurisdictional requirements set forth in sections 44949 and 44955.

2. The services identified in the PKS Resolution are particular kinds of services that may be reduced or eliminated under section 44955. The Board's decision to reduce or eliminate the identified services was neither arbitrary nor capricious, and was a proper exercise of its discretion. Cause for the reduction or elimination of services relates solely to the welfare of the District's schools and pupils within the meaning of section 44949.

3. Cause exists to reduce certificated employees of the District due to the reduction or elimination of particular kinds of services. The District properly identified the certificated employees to be laid off as directed by the Board.

4. No junior certificated employee is scheduled to be retained to perform services that a more senior respondent is certificated and competent to render.

5. Cause exists to give notice to the represented respondents consistent with their stipulations with the District as set forth in Attachment 1, and to the unrepresented respondents, other than respondents David Wax and Mary Ann Jacobson, that their services will be reduced or will not be required for the 2010-2011 school year because of the reduction or elimination of particular kinds of services.

RECOMMENDATION

Represented Respondents

1. The Board shall adopt the stipulations reached by the District and the represented respondents as set forth in Attachment 1 hereto.
2. Notice may be given to the represented respondents that their services will be reduced or will not be required for the 2010-2011 school year, consistent with the stipulations between the District and the represented respondents, as set forth in Attachment 1. Notice shall be given in inverse order of seniority.

Unrepresented Respondents

3. As set forth in Finding 5, the District shall correct the seniority date of Linda Mowery to July 18, 2005.
4. As set forth in Finding 6, the District shall correct the seniority date of Donald "Matt" Simpson to August 16, 2005, and Mr. Simpson shall be classified as a permanent employee.
5. As set forth in Finding 7, the District shall rescind the precautionary layoff notice served upon respondent David Wax.
6. As set forth in Finding 8, the District shall rescind the precautionary layoff notice served upon respondent Mary Ann Jacobson.
7. Except as provided in Recommendations 5 and 6, notice may be given to the unrepresented respondents that their services will be reduced or will not be required for the 2010-2011 school year. Notice shall be given in inverse order of seniority.

STIPULATED FACTS LODI UNIFIED SCHOOL DISTRICT CERTIFICATED TEACHER LAYOFF FOR 2010-2011 OAH No. 2010011151

Lodi Unified School District (hereinafter "District"), by and through their counsel of record, Kingsley Bogard Thompson, LLP, by Paul R. Gant, and the Teacher Respondents, by and through their counsel of record, Driscoll & Associates, by Thomas J. Driscoll, Jr., stipulate to the facts specified below concerning the certificated employees involved in this layoff proceeding which commenced April 29, 2010.

STIPULATIONS

1. The Board of Trustees of the Lodi Unified School District adopted Resolution No. 2010-11 on February 16, 2010. This Resolution reduced or discontinued the services set forth in Attachment A at the end of the 2009/10 school year for the 2010/11 school year.
2. Driscoll & Associates by Thomas J. Driscoll, Jr., is the authorized representative of every individual listed in Attachment B as "Rep. By Driscoll" (hereinafter "Teacher Respondents").
3. Teacher Respondents listed in Attachment B were served timely with a Notice of Recommendation That Services Will Not Be Required, filed timely Requests for Hearing, were served with an Accusation and filed timely Notices of Defense.
4. Prior to the execution of these Stipulated Facts, with the exception of the notice to Dr. David Wax and those unrepresented employees who withdrew their request at the time of hearing:
 - a. No Teacher Respondent Requests for Hearing were withdrawn.
 - b. District had not rescinded any layoff notice or Accusation.
5. These proceedings involving Teacher Respondents are based solely on the grounds set forth in Education Code sections 44949 and 44955, and in no way relate to any individual's ability or performance.
6. Teacher Respondents named in Attachment B are the proper subject of this proceeding.
7. Upon issuance of a Recommended Decision, and Approval thereafter by the Board of Education for the District, the District shall rescind preliminary Notices of Layoff served upon the Teacher Respondents listed in Attachment B as "Layoff Notice Rescinded."

8. The Teacher Respondents listed in Attachment B are entitled to seniority dates and classification status as set forth in Attachment D. Any rationale for adjustment of previously specified seniority dates or classification status made by the District and Teacher Respondents in connection with this proceeding, as set forth in Attachment C, are non-precedent setting and shall not bind the District or Teacher Respondents with regard to establishing appropriate seniority dates or classification status for any certificated teacher employees not noticed in this proceeding, nor is such adjustment or rationale binding in any other proceeding before another forum as such rationales were resolved by compromises by these parties.
9. All issues pertaining to classification status and/or seniority dates of Teacher Respondents have been resolved finally such that Teacher Respondents waive and withdraw any current or future claim for alteration of such classification status and/or seniority dates through the date of this Agreement, excepting classification and/or seniority continuing to accrue as provided by law.
10. District concedes that laid-off employees, including "Probationary O's" in ROP, and Jennifer Hooper, shall be entitled to all protections set forth in Education Code sections 44956 and 44957. However, this agreement shall not be construed as a reclassification from "Probationary O" to regular status. During the 24 or 39 month re-employment period, as applicable:
 - a. Provided a teacher is credentialed and competent to render the service, District shall offer any vacant probationary or permanent positions to laid-off employees in order of seniority.
 - 1) Should any teacher be reappointed, the period of absence shall not constitute a break in service.
 - 2) The teacher employee shall retain the classification and order of employment he/she had when his/her services were terminated as provided for in Education Code section 44956 and 44957, subject to advancement as provided by law.
 - b. District shall offer any temporary and substitute positions of employment (for which a laid-off teacher is credentialed and competent to render service) to laid-off certificated employees in order of classification and seniority date (most senior permanent teacher first).
11. District concedes that the certificated employees who are being placed on the re-employment list under Paragraph 10 but were released as employees with "Probationary O classification," have had those releases rescinded.

12. Teacher Respondents agree that for 2009-2010, the District did not exceed temporary entitlements and that all certificated employees so classified by the District for 2009-2010, except otherwise provided below or Attachment D, were properly classified as such.
13. District and Teacher Respondents waive any right to seek judicial review of the final decision in this proceeding, provided it is not in conflict with any provision of this Agreement.

Reduction in Certificated Staff Due
To Reduction or Elimination of Particular
Kinds of Service

WHEREAS, Sections 44949 and 44955 of the California Education Code require action by the governing board if the services of certificated staff are to be reduced or eliminated in order to permit the layoff of certificated employees;

NOW, THEREFORE, BE IT RESOLVED, by the Board that:

1. The services set forth in Exhibit "A" shall be reduced or eliminated at the close of the 2009/2010 school year for the 2010/2011 school year.
2. The Board has considered anticipated certificated employee attrition (resignation, retirements, non-re-elections, temporary teacher releases, etc.). Nevertheless, it is still necessary to terminate certificated full-time equivalent positions as referenced in Exhibit "A".
3. It will be necessary to retain the services of certificated employees, regardless of seniority, who possess qualifications and competencies needed in the projected educational programs listed on Exhibit "B" for the 2010/2011 school year which are not possessed by more senior employees thereby subject to layoff. Certificated employees will be deemed to possess the qualifications and competencies needed in the projected education programs listed on Exhibit "B" if all of the following apply:
 - the employee is properly credentialed and qualified for the assignment as determined by the Superintendent or designee, and
 - the employee is currently assigned to a program listed on Exhibit "B", and
 - the employee is anticipated to be assigned to the same program for the 2010/2011 school year.
4. The Superintendent, or designee, is authorized and directed to send notice(s) of recommendation of non-reemployment pursuant to Sections 44949 and 44955 of the California Education Code to any employee whose services shall be terminated by virtue of this Resolution.
